NOTES AND ORDERS.

At present the management of the properties endowed to 21 Mutts in the State, is under the management of Govt. Of these Mutts, the management of the properties of five Mutts is stated to be under the direct control of the H.C. These five Mutts. In addition to these five Mutts, the management of the Sri Sungeri Mutt also has also been taken

Sri S. Vasanga Mutt
Sri Upasanarabani Mutt
Sri Kudli Sringeri Mutt
Sri Adani Mutt
Sri Sathiyapuri Mutt

under Govt management since 30.1.1976 for a period of two years in the first instance.

2 Regarding the cost of meeting the establishment required to look after the mutt properties, it is stated that contribution to the Mungai Estt. Fund at 5 per cent of the gross income is recovered from the marginally noted three mutts, and that two clerks, one to look after the accounts and correspondence of the Sri Sivaganga Mutt and the other for the Sri Vyasaraya Swami Mutt paid out of the Mungai Estt. Fund are maintained. No recovery is being made in respect of the other three mutts of Sri Kudli Singeri Mutt, Sri Yathiraj Mutt and Sri Singeri Mutt

3. The Mungai Commissioner now reports that the work connected with the administration of all the 21 Mutts and more particularly that connected with the 6 Mutts under the direct control of the Chief Office has thrown considerable additional work in his office and that it is not possible to cope with the extra work without additional clerical assistance. He has also stated that when the management of the properties of the Sri Vyasaraya Swami mutt in and outside the State has vested in Govt, not only a special establishment had been maintained but Contribution to the Mungai Estt. Fund on the basis of the income derived by

properties within the State, was being realised on this analogy, the M.C. considers that both the Sri Kudli Shingeri Mutt and Sri Shingeri Mutt are liable to pay contribution to the M.E. Fund calculated on their notional income. At the latest, a sum of Rs 630 per year from Sri Kudli Shingeri Mutt and Rs 1600 per annum from the Sri Shingeri Mutt, became realisable from the respective Mutts, as contribution to the said Fund. It is also stated that the Sri Alvari Mutt in respect of which no separate Clerk is maintained, is contributing Rs 150/- per year to the said Fund.

4) The M.C is of opinion that in the case of Mathas taken under Govt management temporarily, contribution to the Shingeri Mutts Fund or the charges of any special establishment should be realised so long as they continue to be administered by Govt, as there is no reason for those institutions getting free help from the Govt. He therefore states that instead of realising contributions to the Shingeri Mutts Fund at the scheduled rate, the entertainment of an additional hand on Rs 80 pm to look after the entire work connected with the Mathas under Govt management is justified

may be sanctioned. The charge including the recurring contribution being distributed among Sri Swamy, Sri Kudli Swamy and Sri Alasi Mathas in the proportion of Rs 55/- 35/- and 10 respectively.

4. The position of the case put forth by the M.C seems to be this. The existing staff in his office is not sufficient to cope with the alleged additional work thrown on it by the management of about 21 Mathas by Government. An additional hand on Rs 50/- is required to meet the situation. The cost on this account is proposed to be debited to the three Mutts concerned in the proportion of Rs 55/- Rs 35/- and Rs 10/- So long as these three Mutts continue to be under Govt management, they may be liable to contribution in the above proportion. But if any of them ceases to be under such management then the question is likely to arise, as to the source from which the deficit amount should be met. Such deficit may, hence, necessarily to be met from the Muzrai Instn. Fund, in which

The pay suggested, viz, Rs.80/- is excessive. A clerk on Rs.30/- or Rs.35/- may be sanctioned temporarily for one year, the cost being allocated to the Matts in the proportion suggested by the Muzrai Commissioner.

OFFICE OF THE MUZRAI COMMISSIONER,
MYSORE.

FROM

Muzrai Commissioner in Mysore

To

M. Venkatesa Iyengar, Esqr., M.A.,
Secretary to the Government of His Highness

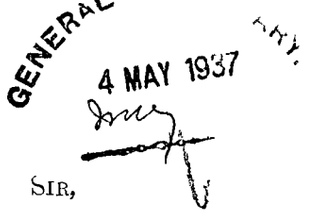
General *Department*



SIR,

Subject.
Management of the properties endowed to Mathas.

I have the honor to state that the management of the properties endowed to the marginally noted Mathas is vested in Government for the present. Of these, the management of the properties of the Sri Sivaganga, Sri Vyasarayaswami, Sri Kudli Sringeri, Sri Avani and Sri Yethirajaswami Mathas may be considered to be under the direct control of this office. Contribution to the Muzrai Establishment Fund at 5 per cent of the gross income is recovered from the Sri Sivaganga, Sri Avani and Sri Vyasarayaswami Mathas and two clerks, one to look after the accounts and correspondence of the Sri Sivaganga Matha and the other for the Sri Vyasarayaswami Matha paid out of the Muzrai Establishment Fund are maintained. No recovery is made from the Sri Kudli Sringeri Matha as it was directed in G.O. No.641-2/Muz.C5 33-4 dated 10/11th November 1933 that no contribution to the Muzrai Establishment Fund need be recovered from the Matha, as a special establishment will be maintained at the cost of the Matha. Similarly, no recovery is made from the Sri Yethiraja Matha as the income derived by it

from Sources other than the Government grant of Rs.25/- p.m. negligible. In addition to the Mathas noted above, the assumption of the management of the Sri Sringeri Matha with all its endowments and properties was ordered in Government Pro. No.1028-30/Mus.171[illegible]-2 dated 30th January 1936 and no contribution to the Muzrai Establishment Fund is recovered from this institution also. Though the administration of this institution is subject to the general control of the Deputy Commissioner, Kadur District, yet, it may, for all practical and administrative purposes, be considered to be under the direct control of this office having regard to the importance of the Matha and the several complicated questions coming up for consideration and orders.

2. The work connected with the administration of the estates of all the 24 Mathas noted in the margin has thrown considerable additional work on this office and it is not possible to cope with the extra work without additional clerical assistance. The State-

over since they came under Government control. It seems to me that the direction contained in G.O. No.641-2/Mus.65-33-4 dated 10 11th October 1933 to the effect that "no contribution to the Muzrai Establishment Fund need be recovered from the Sri Kudli/Sringeri Matha, as a special establishment will be maintained at the cost of the Matha" needs reconsideration in view of later experience. The special establishment is absorbed in the management of the properties situated outside the State and scattered over a large area and the Agent cannot therefore be expected to pay attention to the management of the properties within the State and to deal with the large volume of correspondence in this office emanating from several sources, viz., the Deputy Commissioners of Districts where the Matha properties are situated, the Government Agent, the President of the Advisory Committee, the Sammukhada Sarvadhikari, the Government and several others. When the management of the properties of the Sri Vyasarayaswami Matha in and outside the State

was veste

was vested in Government, not only a special establishment had been maintained but contribution to the Muzrai Establishment Fund on the basis of the income derived by the Mysore properties was being recovered. It seems to me that on the same analogy both the Sri Kudli Sringeri and the Sri Sringeri Mathas should pay contribution to the Muzrai Establishment Fund or meet the pay of a full-time official appointed to look after the voluminous correspondence and accounts pertaining to them on a three year's average, the income of the Sri Kudli Sringeri Matha from its properties within the State comes to Rs.8.600/- and it is therefore liable to pay a contribution of Rs.430/- a year at 5 per cent on its income (vide: G.O. No.1220-21/Muz.341-26-6 dated 31st January 1928. Page 291 of Manual). According to the sanctioned budget estimates, the income of the Sri Sringeri Matha from properties within the State (including the Sringeri Jahgir) approximates a lac of rupees and strictly speaking the Matha is liable to pay contribution on this amount. Admitting that the Matha is not chargeable in respect of the income derived from the Sringeri Jahagir for it is administered directly by the Officer-in-Charge, yet it cannot appropriately claim exemption in respect of income derived from inam villages and other lands within the State, which amounts to Rs.28,670/- a year. It is therefore liable to pay a contribution of Rs.1,400/- a year to the Muzrai Establishment Fund. The Sri Avani Matha in respect of which no separate Clerk is maintained is contributing a sum of Rs.150/- annually to the Establishment Fund.

3. I am of opinion that in the case of Mathas taken under Government management temporarily, contribution to the Muzrai Establishment Fund or the charges of any special establishment should be recovered so long as they continue to be administered by Government. There is no reason for these institutions getting Government help free and it will greatly facilitate proper administration in case there are resources to meet additional expenditure in connection with the management should occasion arise. In view of these considerations and of the fact that the present establishment of the office is unequal to cope with the increased work, I beg to recommend that, instead of

recovering contribution to the Muzrai Establishment Fund at the scheduled rate, the entertainment of an additional hand on Rs.80 month to look after the entire work connected with the Mathas under Government management in this office may be sanctioned, the charge in lieu of the pensionary contribution being distributed among the Sri Sringeri, Sri Kudli Sringeri and Sri Avani Mathas in the proportion of Rs.55/- 35/- and 10/- respectively. The charge to be borne by the former two will be recovered from them direct and the same on account of the latter will be debited to the Muzrai Establishment Fund to which the contribution of Rs.150/- is being credited. The favour of early orders is solicited.

I have the honour to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No. C. 1:11/36-37, dated 4th May 1937 from the Muzrai Commissioner in Mysore, requesting sanction to the entertainment of an additional hand on Rs. 80/- per mensem to look after the entire work connected with the Mathas under Government management in the Muzrai Commissioner's Office, the charge being met in the manner indicated by him.

Order No. 222-3/Mug 319-36-2

Bangalore, dated the 13th August 1937.

At present the properties belonging to twenty one Mathas in the State are under the management of Government. These Mathas, in management of the properties of the marginally noted five Mathas is

1. Sri Sivaganga Mutt.	(reported to be under direct con
2. Sri Vyasarayaswami Mutt.	)
3. Sri Kudli Sringeri Mutt.	(trol of the Muzrai Commissioner's
4. Sri Kanive Mutt.	)
5. Sri Kathiraj Mutt.	(Office. The properties of the Sri

Sringeri Mutt have also been taken under Government management since 30th January 1936 for a period of two years in the first instance. As regards the cost of the establishment required to look after the properties of the Mutts, it is stated that contribution to the Muzrai establishment and at 5% of the gross income is recovered from three Mutts viz., Sri Sivaganga Mutt, Sri Kanive Mutt and Sri Vyasarayaswami Mutt and that two clerks, one to look after the accounts and correspondence of the Sri Sivaganga Mutt and the other for the Sri Vyasarayaswami Mutt paid out of the Muzrai establishment from funds are maintained. No recovery is being made in respect of the other three Mutts viz., Sri Kudli Sringeri Mutt, Sri Kathiraj Mutt and Sri Sringeri Mutt. The Muzrai Commissioner reports that the administration of all the twenty one Mathas referred to and more particularly the six Mathas under the direct control of the Muzrai Commissioner has thrown considerable additional work on his office and that it is not possible to cope with the extra work without additional clerical assistance. He has therefore

that recovery of the contribution from these three Muzrai Establishment Fund may be discontinued and they required to contribute towards the pay of a clerk to be entertained in his office for attending to the work connected with the management of the properties of these Mathas and that an additional hand on Rs. 30/- per mensem may be entertained in his office to attend to this work, the charge including pensionary contribution being distributed among the Sri Sringeri Mutt, Sri Kudli Sringeri Mutt and Sri Avani Mutt in the proportion of Rs. 55/-, Rs. 35/- and Rs. 10/- respectively.

Government consider that the pay proposed for the additional clerk to be entertained for attending to the work of the three Mathas, viz., Rs. 80/- per mensem is excessive. They are pleased to sanction the entertainment of a temporary clerk on Rs. 40/- per mensem for this work for a period of one year in the first instance, the cost being recovered from the Mathas concerned in the proportions suggested by the Muzrai Commissioner.
